Continue past the airport and make the first left turn at Emmert Road, followed by a right turn onto Old Friberg Road.

Classification

The CMP Competitor Classification system (detailed in Section 3.11.4) will be used for all matches. Classification and TSRA membership cards will be checked at time of registration. Unclassified competitors will compete in the Master Class unless there are three (3) or more unclassified competitors. In this case a special unclassified class will be provided, and awards given. Shooters may elect to compete in one of the following divisions:

- Metallic Class (iron sights)
- Open Class
- .22 Only Class

Rule

Current CMP pistol rules will govern in their respective matches: Triggers may be checked at any time during the match. A set of approved trigger weights will be available for competitors to check firearms prior to the match. Triggers will be weighed for the CMP Service Pistol, .22 and Service Revolver matches. Match winners and apparent leg point winners will have their triggers weighed following the match.

Eligibility for Texas Precision Pistol Championship

All competitors must be members of the TSRA. Non-Members who are not a resident of Texas must become a match member for a fee of \$10.00. A match member is a member of TSRA for the duration of the match. All Texas competitors are required to be members in good standing of the TSRA.

Eligibility for EIC Matches
